

INTERNATIONAL FORENSICS ASSOCIATION

30th ANNUAL SPEECH & DEBATE TOURNAMENT AND CONFERENCE NARITA, JAPAN – MARCH 6-13, 2020

Dear Colleagues,

Congratulations on your team's impressive performance this past season!

As a program who's achieved a high level of recognition in your country, we cordially invite your program to join us in Japan from 6-13 March 2020 to compete internationally at the 30th anniversary of our association's annual tournament.

The tournament will be conducted in English and consist of team debates in National Parliamentary Debate Association format; individual debates in International Public Debate Association format; five interpretation of literature events, four platform speaking events, two limited-preparation speaking events, and a nuance event designed to honor our host nation. All competition rounds will be hosted at the Radisson Narita.

We know that the cost of airfare is often the reason programs are unable to attend, but we hope that by identifying the dates at an early juncture, keeping our fees low, and securing an affordable hotel contract (¥13,000/\$117 for single or ¥17,000/\$154 for double occupancy, including breakfast) near public transit at one of the primary airports that service Tokyo will put the opportunity within reach for your students.

As we approach our association's 30th anniversary as well as the summer Olympics in Japan, our planning committee feels that it's an opportune moment to gather our membership for the first time in an Asian nation to expand our horizons.

Should you have any questions regarding the registration process, please consult the instructions attached or contact one of our officers directly. We look forward to the prospect of seeing your team in Japan for the experience of a lifetime!

IMPROMPTU SPEAKING

Contestants will receive German quotations and have seven minutes to divide between preparation and speaking. All contestants in the same section will speak on the same topic.

RHETORICAL CRITICISM

Contestants will deliver an original critical analysis of any significant rhetorical artifact. The speaker should limit the quotation of, paraphrasing of, or summary of, the analyzed artifact to a minimum. Maximum time is 10 minutes.

PROGRAM ORAL INTERPRETATION

Contestants will deliver a program of thematically-linked selections of literary merit, chosen from two or three recognized genres of competitive interpretation (prose/poetry/drama). A primary focus of this event should be on the development of the theme through the use of narrative/story, language, and/or characterization. A substantial portion of the total time must be devoted to each of the genres used in the program. Different genre means the material must appear in separate pieces of literature (e.g., A poem included in a short story that appears only in that short story does not constitute a poetry genre.) Only one selection may be original. Use of manuscript is required. Maximum time is 10 minutes.

NUANCE EVENT: TBA
