Dear Colleagues,

As members of the forensics community, we cordially invite your program to join us in Mexico City from 11-18 March 2022 to compete internationally at our association's 32nd annual speech and debate tournament.

The tournament will be conducted in English and consist of team debates in National Parliamentary Debate Association format; individual debates in International Public Debate Association format; five interpretation of literature events, four platform speaking events, three virtual events, two limited preparation speaking events, as well as a nuance event designed to honor our host nation.

We know that the cost of airfare is often the reason programs are unable to attend, but we hope that by identifying the dates at an early juncture, keeping our fees low, and securing an affordable hotel contract (\$110 for single or \$120 for double occupancy (Additional guest \$55 maximum of 3), including breakfast). All competition rounds will be hosted at the Sheraton Mexico City Maria Isabel Hotel.

Should you have any questions regarding the registration process, please consult the instructions attached, visit our website www.intlforensics.org, or contact us at internationalforensics@gmail.com. We look forward to the prospect of seeing your team in Mexico for the experience of a lifetime!

Kind Regards,

Contestants will receive German quotations and have seven minutes to divide between preparation and speaking. All contestants in the same section will speak on the same topic.

RHETORICAL CRITICISM

Contestants will deliver an original critical analysis of any significant rhetorical artifact. The speaker should limit the quotation of, paraphrasing of, or summary of, the analyzed artifact to a minimum.
